CERTIFIED FLOORING INSTALLERS

Designed for installers starting a career in installation or looking to add a new flooring to their repertoire.

CFI Residential Carpet Installation Course

The five-week CFI Residential Carpet course is a comprehensive overview of basic residential carpet installation beginning with how to approach a customer's door and ending with how to leave the jobsite.

CFI has partnered with local retailers and builders to allow students on-the-job experience. Graduates will take away the ability and confidence to install an average three-bedroom home. Student will receive a CFI Residential-1 Certification upon successful completion of the course.
